

G.O.P. DELEGATES
BEGAN WORK AT
NOON TODAY

Tremendous Crowd of Delegates and Visitors Filled the Mammoth Convention Hall at Chicago—A Scene of Animation.

FAIRBANKS LOOMS UP
FOR THE SECOND PLACE

Chairman New of the Republican National Committee Called the Assembly to Order and Then Followed Routine Work of First Day.

Chicago, June 16.—The fourteenth annual convention of the Republican party was called to order at noon today by Harry S. New of Indiana, chairman of the Republican national committee. Nearly 12,000 were in the Coliseum, about 2,000 of them being delegates and alternates. The delegates were seated through the center of the great hall.

The great states of New York, Ohio, Pennsylvania and Illinois were well up in front; back of them were the alternates in equal numbers. In the rear were two lady alternates from Utah. The only break in the ranks were raised standards bearing the names of states.

A large proportion of the throng of spectators were women, many of them prominent in social life, whose summer finery added a brilliant touch of color. At the southern end of the hall was a semi-circular platform, with seats for more than 4,000 newspaper men immediately beneath.

It had been advertised that the doors would open at 10 o'clock, but long before that hour applicants for admission were massed in front of the entrance. Arrangements for handling the crowd were nearly perfect. The streets leading to the Coliseum were crowded with flocks of every description, and the immediate vicinity of the hall had the appearance of a circus.

Shortly before noon Mrs. Beatrice Fisher Erling sang a soprano solo, "Arditis," "Enchantress." Then the band swung into the inspiring strains of "Tannehauser." Before the applause died, Chairman New was rapping for order. He announced the proceedings would begin with prayer by the Right Rev. P. J. Muldoon, bishop of the diocese of Chicago, Catholic church.

The Organization. Frederick Upam, chairman of the local committee of arrangements, then stepped forward and presented to the chairman a gavel made of a block of wood from Fort Dearborn. With this, Mr. New dived for the secretary of the committee. Mr. Dover turned over the job to a man with a loud voice, John E. Malloy of Columbus, Ohio, temporary secretary of the convention, who read the call which assembled the convention. Chairman New then introduced Temporary Chairman Julius G. Burrows, senator from Michigan. The selection was unanimously ratified. Senator Burrows was enthusiastically greeted and at the conclusion of his speech the cheering lasted several minutes. Senator Burrows' final words were:

"The work of this convention will soon be concluded. The platform will voice the dominant thought of the people, and the candidates nominated must stand upon it firm and erect. They must have the patriotism and capacity of a Lincoln, the tenacity of a Grant, the wisdom and moderation of a McKinley, and the courage of a Roosevelt. With such a platform and such candidates, the issue cannot be in doubt. The Republican party confidently submits its record to the approving judgment of the American people, and upon its renewed declaration of faith, invokes continuance of public favor."

At the conclusion, Senator Burrows announced the names of the old temporary officers of the convention, and they were formally approved. The chairman of the state and territorial delegations were then called upon to send up the names of those chosen to represent them on the standing committees and announcement was made of the meeting places of these committees. With that business done, the first day ended. The session was declared adjourned until noon to-morrow.

The Temporary Officers. The following is a list of temporary officers: Temporary chairman—Senator J. C. Burrows, Michigan. General secretary—John B. Malloy, Columbus, Ohio. Chief assistant secretary—Lafayette R. Gleason, New York. Sergeant-at-arms—William F. Stone, Baltimore. Chief assistant sergeant-at-arms—Edward P. Thayer, Greenfield, Ind. Parliamentarian—Asher C. Hinds, Washington, D. C. Official reporter—M. W. Blumenberg, Washington, D. C. Chief of doorkeepers—Stephen R. Mason, Baltimore.

AUTO CARRIED
FOUR DOWN

The Unmanageable Machine Plunged Off an Open Pier

AND INTO THE NORTH RIVER

Driver of Machine, John Bauer, and His Friend, John Nolan, Escaped, But Four Taken on a Stolen Ride Were Drowned.

New York, June 16.—Four persons were drowned last night when an automobile carrying a pleasure party of six became unmanageable, shot at wild speed down West Fifty-sixth street and catapulted from an open pier into the North river. The automobile turned over in its plunge from the pier and held its four victims fast in their seats.

The Dead. Adeline Berton, aged 19 years. Mrs. Rose Coleman, aged 23 years. John Coleman, aged 27 years. Virginia Knight, 8 years.

John Bauer, the chauffeur, was carried into the river by the automobile, but managed to free himself and swim to safety. John Nolan, one of the party, leaped from the machine just as it was tearing wildly for the end of the dock.

After taking his employer home last night Bauer decided to invite a few friends for a pleasure ride. With the party Bauer sent the machine down Fifty-sixth street at a fair speed, intending to run out on the dock and stop. The brake failed to work and the machine began to skid. The four victims were dragged helplessly down by the overturned machine, and though two young men made repeated efforts to rescue them by diving, they were unable to do so. The body of Mrs. Coleman was recovered shortly before midnight.

After swimming to the pier Bauer went to the relatives of the four drowned persons and notified them of the accident. He then surrendered himself to the police. When the news of the accident spread through the neighborhood, a crowd of more than 4,000 gathered at the pier and the police reserves had to be called to drive them back.

One of the divers brought the body of Miss Berton to the surface and reported that there was no one else in the automobile. An anchored chain was attached to the machine, which was hoisted to the dock. The body of Mrs. Coleman was found wedged under the seat of the tennau, but the body of the little Knight girl was not recovered.

ILL AND DESPONDENT
HE SHOT HIMSELF

George L. Myers of Woodstock Used a Mirror to Enable Him to Take Accurate Aim.

Woodstock, June 16.—George L. Myers shot and killed himself about four o'clock yesterday afternoon at the home of his brother, Martin Myers. He went to a room in the attic and sitting before a mirror put a bullet through his temple. Myers, who had been ill and despondent for some months, was about 55 years old and unmarried.

GAVE BRIDGE TO TOWN.

H. W. King, Cleveland Millionaire, Helps Out Granville.

Granville, June 16.—H. W. King, a Cleveland millionaire, has offered Granville a steel bridge to span the White river, and the town has accepted. The bridge and abutments will cost \$4,000. Granville is a part of old Kingston, which was named after an ancestor of Mr. King. The donor spends his summers at Broad Leaf Inn, Ripton.

AHEAD OF SCHEDULE.

"Colonel Jack" is Walking From Portland, Me., to Pacific and Back.

Swanton, June 16.—A pedestrian calling himself "Colonel Jack" hit this town yesterday, trundling a pneumatic tube wheelbarrow. He is on a trip by foot, 9,000 miles, from Portland Maine to the Pacific coast, and back again in the interest of a western news company. He has 400 days in which to do his stunt. He was ahead of his schedule when he reached Swanton. His life travels ahead of him by train and then waits for him to catch up.

Will Have Power Thursday Night.

St. Albans, June 16.—It is expected that the electric light plant will be ready for operation again by Thursday evening. The damage to the dynamo was not quite so great as was first thought. It is not known yet when the street railroad will be able to resume running.

RANDOLPH VILLAGE MEETING.

Voters Favor Adoption of Water Meter System—New Village Treasurer.

Randolph, June 16.—A large number of the legal voters of Randolph village were present at a meeting last evening when L. B. Johnson was chosen moderator and A. M. Hubbard was elected treasurer to fill the vacancy caused by the resignation of C. B. Copeland. It was voted to authorize the village trustees to purchase a steam road roller of ten ton capacity at a cost of \$4,100, the amount to be paid out of the funds now in the treasury.

H. W. McIntyre then gave a report in regard to the meter water system which had already been adopted in many places, whereby a great saving of water had been made and recommending its acceptance in this village at some future time. The cost of meters, and establishment of same, were estimated not to exceed \$10 each. A general discussion followed, and it was finally voted to give the matter further consideration before giving decisive vote.

The general sentiment however was in favor of the adoption of this system and it is quite probable that at no distant day this method of regulating the supply may be adopted by this village.

TOUCHED A MATCH
TO GUNPOWDER

Two Burlington Boys Were Badly Hurt Yesterday Afternoon—They Found The Powder in a Bottle.

Burlington, June 16.—Andrew Gonyea, the adopted son of Mr. and Mrs. Arthur Laduke of 33 Ross street, six years of age, and Leo Morin, six years old son of Mr. and Mrs. Enola Morin of 182 North Champlain street, were both seriously injured yesterday afternoon at one o'clock by the explosion of a bottle of gunpowder. The boys found the bottle containing powder in the back yard of Mr. Morin and the Morin boy touched a lighted match to it while holding it in one hand. An explosion resulted that could be heard for three blocks and when discovered by their parents, both little boys were rolling in agony upon the ground. Physicians who were immediately summoned relieved their sufferings as much as possible, although late last evening they were unable to state just how serious the wounds might prove.

The Morin boy's face was blackened and puffed up, and both eyes were closed. It is feared that he will lose the sight of one or both eyes. His hands and arms were also blackened and cut with glass. He was attended by Dr. Lyman and Couture.

The Gonyea boy was injured about the chest, a large hole being torn between the fourth and fifth ribs by the broken glass from the bottle. Dr. LaTour, who attended him, was unable to state at first just how serious the wound might prove.

According to the story by the Gonyea boy, the two lads were playing together in the garden when they discovered the bottle partially filled with gunpowder. After playing with it awhile they found some matches and the Morin boy touched a lighted match to it. Neither boy remembers much else about it, except that there was a loud bang.

NOTIFIED BOSTON POLICE. To Look Out For Rutland Man With \$800 in Money.

Rutland, June 16.—The police here last night notified the Boston police to look out for Joseph Chioffi, an Italian cook, who is alleged to have left his wife taking the family savings of \$800. His wife, who is in a delicate condition and penniless complained to Chief of Police Whittaker yesterday. She says that she earned \$500 of the money.

Dean Moore was arrested here yesterday by Rutland officers on a warrant issued at Proctorville charging him with stealing a watch and some shoes. Moore lives in Proctorville and was visiting here.

FOR WIFE BEATING.

Clarence McPhee of Burlington Sentenced to Ten Months.

Burlington, June 16.—Clarence McPhee, who was arrested a week ago for an assault upon his wife, was in city court yesterday morning and pleaded guilty to breach of the peace. He was sentenced to serve not less than 10 nor more than 12 months in the house of correction at Rutland. McPhee was intoxicated when the fracas occurred and knocked his wife down, breaking her nose and two ribs.

OLD GRADUATES
ASSEMBLE

Sons and Daughters of Goddard Met To-day

FOR ANNUAL EXERCISES

The Alumni Dinner Was Served This Afternoon—Class Day Exercises Were Held Yesterday Afternoon—Trustees Met.

To-day was alumni day at Goddard and the annual meeting and exercises by the alumni were held this forenoon, followed by the annual alumni dinner in the dining hall at 2:30 o'clock. Principal O. K. Hollister was toastmaster and many toasts were responded to in a very enjoyable manner at the close of the dinner.

The alumni business meeting was called to order at ten o'clock this morning by the president, Mrs. J. W. Butterfield, 78, of North Montpelier. The reports of the secretary and treasurer were read and accepted. Miss Nina Brown, former teacher at Goddard, was elected an honorary member of the alumni association. The sum of twenty dollars was voted to be given as prizes for the prize speaking. The appointment of committees by the president was made and the meeting then adjourned until after the dinner this afternoon, when the committees will report and the officers will be elected.

At eleven o'clock the exercises and oration were held in the chapel and were enjoyed by about one hundred alumni and friends of the school. A very pleasing double number piano solo, "The Garden," by Miss Bessie Butterfield, 66, North Montpelier, following which prayer was offered by the Rev. Walter Dole of Northfield. An enjoyable solo was then sung by Principal O. K. Hollister. The oration was delivered by Willard S. Martin, '89, of Cambridge, Mass., who gave a very able and interesting discourse on the subject, "Twenty Years After."

A piano duet, "Tarentelle," Raff, was next beautifully played by Mrs. K. L. Cleaves, '91, Montpelier, and Miss Bessie Spear, '93. A beautiful original poem was read by Miss Rachel Robinson, '97, Ferrisburg, and the exercises then closed with the singing of the school song, "Goddard Hall, All Hail."

CLASS DAY PROGRAM
WAS GREAT SUCCESS

Although the Rain Storm Prevented a Large Attendance—Oration Given by Paul W. Waterman of Barre.

In contrast with the beautiful weather which ushered in the class Sunday services of Goddard commencement, yesterday saw pouring rain which fell during the whole afternoon, while the class day exercises of the class of 1908 were being held in the school chapel. On account of the wet the attendance at the exercises was very light outside of the student body. However, class day, which is always especially interesting to the student body, was very successfully and enjoyably carried out. The platform was simply decorated with ferns and daisies and the class banners and motto, "Dum Vivimus, Vivamus," in old gold and blue were displayed on the wall at the back of the stage.

The exercises were in charge of the class president, Paul Wendell Waterman of Barre, who also delivered the oration, the first honor of the class. After a very enjoyable piano solo, "Napoli," by Miss Marion G. Bedford of Barton, prayer was offered by the Rev. C. G. Conner and the oration was then delivered by the class president.

Mr. Waterman took for his subject the class motto, "Dum Vivimus, Vivamus" (While we live, let us live), and drew from it a very interesting oration which showed careful preparation and scholarly effort. The reason why his class had chosen this motto, he said in beginning, was because its English equivalent, "While we live, let us live," with the suggestion of life and living, was not unpleasant. Yet, though some of us may have thought we realized the full meaning of these words, it may be doubted if such was really the case. Gradually from day to day the motto, like an opening roselbud, has revealed new beauties and won our admiration.

Mr. Waterman took for his subject, "The Fiddle Told," by Franklin Marion Ward Raymondton Song, For All Eternity, by Mascheroni. Louis S. Seaver Announcement of Prizes
